His Official Memo. No 26 of the 2d Instant forwarding the petition from Narasulla Pundit Narasappa, for enquiry & report.

Has the honor to report that the Petitioner Narasappa appeared before this Court on the 30th Ultimo, and

he was duly heard, together with one of his witnesses; but as it was found that there was not evidence sufficient to proceed with the case his complaint was dismissed.

The Police at Mudgere on hearing that the jewels, &c, stolen from the temple of Sirinjamma were buried in the temple, caused the suspected part of the temple to be dug up in the presence of the Panchayatdars as well as the Patel and the Shanbogue of the village, and this must have evidently been the cause for the complaint under report.

The enclosure is herewith returned.

Sir,

With reference to your docket No 415/16 dated 13th July 1892 calling for certain information in connection with the theft committed in the temple of Guryamma at Kalasa in the Mudgere Taluk, I have the honor to state that the jewels were not secured in an Iron Safe or Treasure Vault but the jewels were kept in a nich behind the deity and covered up with a slab.

The Amildar of Mudgere reports that though the temple is attached to the main temple at Kalasa, yet the jewels were not secured in the Iron Safe belonging to the Kalasa Temple but were entrusted to the Poojari of the

temple as was the case for several years past.

Amkdar Poojari Subbramanya Bhatta and his Gumasta Seetārama Bhatta had the custody of the jewels, but the Keys of the Temple were in charge of the latter on the day of occurrence.

No Security bond had been obtained from them but their signature is taken in the property register, to the effect that they have taken over the jewels to their possession.

The Police have not as yet obtained any clue whatever towards the discovery of the lost property, the inventory of which is herewith submitted

I further beg to state that in accordance with Government Proceedings No. 51-60 / Mms 726-92 dated 3rd November 1892, the value of the lost jewels Viz Rs 15,283-13-0 inclusive of the estimated value of the three idols was ordered to be made good from the Amkdar Archak Subbramanya Bhatt and his gumasta —

Seetārama Bhatt, who were found on enquiry to be primarily responsible for their safety.

The plan of the temple is herewith submitted.

I have the honor to be -

Mysore Department.

Dated, Chickmagalur, 10/17 June 1896

With reference to Mysore Secretary's No 1170/77-93 dated 2nd May 1894 requesting further information, anent the jewels stolen from the Sree Girijamma Temple at Kalasa, has the honor to state that:-

(1.) No Savark is paid to this temple in the shape of cash allowances;

(2) Lands of various description are in the khalé of the temple;

(3) The pay of the Archak is one rupee per month and a daily Poorthasa of one seer of rice, 2 plantains and 5 betel leaves, as issued from the Management Funds of the Main (Kalaseshwara) temple. No other allowance is paid

to the Archak

(4) i The Archak, Subrambanyaya is the Mokhtar and he owns Land paying Rs: 78-5-9 as Kanaayam to Govt

and

ii Gumasta Valabyle Sitharamiah also owns Valuable immovable property.

(5) There are no other Servants for the temple besides the above.

(6) The Rasanasaar Archak Subram. banyaya states that the right of Puja is his; but that his father had nominated the Gumasta Valabyle Sitharamiah who has ever since been doing the duties of Pujari and that he (Subrambanyaya) is attending to the worship only when the Gumasta is prevented to enter into the temple by pollution &c., and that as the Gumasta has been in charge of the jewels, he is responsible for the loss

Gumasta Sitharamia, states that, he entered upon the worship only since 7 or 8 years, that he is not responsible for any of the jewellery except the "Vale"

(ear

and that for the remainder the Karavasdar is responsible.

8 The explanations offered by both are unsatisfactory. From their statements it would appear that both of them were entering into the temple to conduct worship. Consequently the undersigned is of opinion that both are equally responsible. The jewels were said to have been lodged in the vault above the ground surface just below the feet of the Goddess Girijamma - vanam within the "Garbha gudi", and to this place no one else could have had access, except these men.
